Sub: Selection of team from Level I (Ideation) to Level II (Proof of Concept) of India's biggest Robotics competition: "ROBOFEST-GUJARAT 5.0".

Dear Sir,

Greetings from Gujarat Council on Science and Technology (GUJCOST), Gandhinagar.

It is our pleasure to inform you that the Ideation submitted under the category "Maze Solving Robot" in the India's biggest Robotics Competition, ROBOFEST-GUJARAT 5.0 Competition, by the team of Dr. S and S. S. Ghandhy College of Engineering And Technology Surat has been selected from Level I (Ideation) to Level II (Proof of Concept). The team has been recommended for cash prize of Rs. 25,000/- for their creative idea of robot making.

We would like to congratulate you and the team for this creative achievement. The prize money will be transferred through RTGS to your institutional bank account. You are requested to submit your institutional bank account details in the given link: https://forms.gle/1LuWmmUpPrz3eNR68

You are kindly requested to take a note of the following points:

1. You have to work on your idea now and submit the PoC by 8th December, 2025.
2. GUJCOST will be pleased to share your success story on its platform for a broader outreach.
3. Kindly share the social media credentials of the institute, mentor and student team members and follow @infoGujcost for all updates and information on this program.
4. You are also requested to like, follow and share the social media updates among your institutional circles.
5. The PIC team of GUJCOST will contact you soon for the provisional patent filing of your novel idea.
6. Once the provisional patent is filed, GUJCOST will release the prize money in your institutional bank account.
7. For any query/doubt regarding PoC stage you can reach out to GUJCOST for any support, guidance and mentoring.

We once again thank you and the team for the creative effort and convey our best wishes for the Level II (Proof of Concept) of this program.

Thank you, and with best wishes,

Yours sincerely,

(Narottam Sahoo)
